

Charlotte County Habitat for Humanity began its existence in 1987 and has served over 400 families with our homeownership program. We are proud of the fact our homeownership program success rate is 98%, and we continue to reinvest 91 cents of every donated dollar into our programs. With ongoing support through our Businesses Building Hope Program, Charlotte County Habitat for Humanity will continue to work on solving the affordable housing crisis one family at a time.

OVER
